

Laxey Flood Alleviation Meeting 'Drop-In' Events.

Manx Utilities have confirmed that they will extend both of the days to 8.00 pm following a request from the Commissioners.

The 'Drop-In' Days are an opportunity for Laxey residents to be updated on progress with implementation of the Laxey Flood Alleviation Scheme. Senior officers from Manx Utilities, JBA Consultants, and the Department of Infrastructure will be present to provide information and answer questions on the works being undertaken and on the works planned for the future. The sessions take place at the Laxey Working Men's Institute on Monday 28th September & Tuesday 29th September - from 10.00 am until 8.00 pm on both days.
